About Rammani Multiple Campus

Rammani Multiple Campus, a Tribhuvan University affiliated institution of higher education and research located at the heart of Tilottama Municipality in Manigram, Lumbini Province, Nepal is organizing a 2-Day International Conference on the topic **“Emerging Perspectives in Social Sciences & Pedagogical Opportunities”**. This international conference is scheduled from **August 22-23, 2026 (6-7 Bhadra, 2083)** on-site at Rammani Multiple Campus, which is in close proximity from Lumbini, a designated World Heritage Site marking the birthplace of Siddhartha Gautam, who became known worldwide as Buddha. This event is an effort to bring together novel perspectives in social sciences through systematic discourse and dialogue. To facilitate this, eminent scholars from around the world are invited to this event. The major themes and sub-themes of the international conference are as follows:

Conference Themes & Sub-Themes

Themes	Sub-Themes
Management	Novel Management Practices Digital Economy and Business Innovation Sustainability and Ethics in Business Rethinking Human Capital in AI Era Competition to Co-evolution of business
